## COMMAND [1/2]

CASTING TIME	RANGE

Some typical commands and their effects follow. You might issue a command other than one described here. If you do so, the DM determines how the target behaves. If the target can't follow your command, the spell ends.

**Flee:** The target spends its turn moving away from you by the fastest available means.

**Grovel:** The target falls prone and then ends its turn.

The spell ends if you attack any other creature, if you cast a spell that targets a hostile creature other than the target, if a creature friendly to you damages the target or casts a harmful spell on it, or if you end your turn more than 30 feet away from the target.

## CALM EMOTIONS

<b>CASTING TIME</b> 1 action	<b>RANGE</b> 60 feet
<b>COMPONENTS</b> V, S	<b>DURATION</b> Concentration, up to 1 minute

You attempt to suppress strong emotions in a group of people. Each humanoid in a 20-foot-radius sphere centered on a point you choose within range must make a Charisma saving throw. A creature can choose to fail this saving throw if it wishes. If a creature fails its saving throw, choose one of the following two effects. You can suppress any effect causing a target to be charmed or frightened. When this spell ends, any suppressed effect resumes, provided that its duration has not expired in the meantime. Alternatively, you can make a target indifferent about creatures of your choice that it is hostile toward. This indifference ends if the target is attacked or harmed by a spell or if it witnesses any of its friends being harmed. When the spell ends, the creature becomes hostile again, unless the DM rules otherwise.

## CROWN OF MADNESS

<b>CASTING TIME</b> 1 action	<b>RANGE</b> 120 feet
<b>COMPONENTS</b> V, S	<b>DURATION</b> Concentration, up to 1 minute

One humanoid of your choice that you can see within range must succeed on a Wisdom saving throw or become charmed by you for the duration. While the target is charmed in this way, a twisted crown of jagged iron appears on its head, and a madness glows in its eyes. The charmed target must use its action before moving on each of its turns to make a melee attack against a creature other than itself that you mentally choose. The target can act normally on its turn if you choose no creature or if none are within its reach. On your subsequent turns, you must use your action to maintain control over the target, or the spell ends. Also, the target can make a Wisdom saving throw at the end of each of its turns. On a success, the spell ends.

## DARKNESS

<b>COMPONENTS</b> V, M	<b>DURATION</b> Concentration, up to 10 minutes

*bat fur and a drop of pitch or piece of coal*

Magical darkness spreads from a point you choose within range to fill a 15-foot radius sphere for the duration. The darkness spreads around corners. A creature with darkvision can't see through this darkness, and nonmagical light can't illuminate it. If the point you choose is on an object you are holding or one that isn't being worn or carried, the darkness emanates from the object and moves with it. Completely covering the source of the darkness with an opaque object, such as a bowl or a helm, blocks the darkness. If any of this spell's area overlaps with an area of light created by a spell of or lower, the spell that created the light is dispelled.

*holy water or powdered silver and iron worth at least 100 gp, which the spell consumes*

You create a 10-foot-radius, 20-foot-tall cylinder of magical energy centered on a point on the ground that you can see within range. Glowing runes appear wherever the cylinder intersects with the floor or other surface.

Choose one or more of the following types of creatures - celestials, elementals, fey, fiends, or undead. The circle affects a creature of the chosen type in the following ways.

You call forth spirits to protect you. They flit around you to a distance of 15 feet for the duration. If you are good or neutral, their spectral form appears angelic or fey (your choice). If you are evil, they appear fiendish. When you cast this spell, you can designate any number of creatures you can see to be unaffected by it. An affected creature's speed is halved in the area, and when the creature enters the area for the first time on a turn or starts its turn there, it must make a Wisdom saving throw. Each non-hostile creature in the aura (including you) can't become diseased, has resistance to poison damage, and has advantage on saving throws against effects that cause any of the following conditions: blinded, charmed, deafened, frightened, paralyzed, poisoned, and stunned.

BANISHMENT

CASTING TIME	RANGE
1 action	60 feet
COMPONENTS	DURATION
V, S, M	Concentration, up to 1 minute

*an item distasteful to the target*

You attempt to send one creature that you can see within range to another place of existence. The target must succeed on a Charisma saving throw or be banished.

If the target is native to the plane of existence you're on, you banish the target to a harmless demiplane. While there, the target is incapacitated. The target remains there until the spell ends, at which point the target reappears in the space it left or in the nearest unoccupied space if that space is occupied.

If the target is native to a different plane of existence that the one you're on, the target is banished with a faint popping noise, returning to its home plane. If the spell ends before 1 minute has passed, the target reappears in the space it left or in the nearest unoccupied space if that space is occupied. Otherwise, the target doesn't return.

**At Higher Levels:** When you cast this spell using a spell slot of 5th level or higher, you can target one additional creature for each slot level above 4th.

BLIGHT

CASTING TIME	RANGE
1 action	30 feet
COMPONENTS	DURATION

Necromantic energy washes over a creature of your choice that you can see within range, draining moisture and vitality from it. The target must make a Constitution saving throw. The target takes 8d8 necrotic damage on a failed save, or half as much damage on a successful one. This spell has no effect on undead or constructs.

If you target a plant creature or a magical plant, it makes the saving throw with disadvantage, and the spell deals maximum damage to it.

If you target a nonmagical plant that isn't a creature, such as a tree or shrub, it doesn't make a saving throw, it simply withers and dies.

FIND GREATER STEED [1/2]			
CASTING TIME		RANGE

You summon a spirit that assumes the form of a loyal, majestic mount. Appearing in an unoccupied space within range, the spirit takes on a form you choose: a griffon, a pegasus, a peryton, a dire wolf, a rhinoceros, or a saber-toothed tiger. The creature has the statistics provided in the *Monster Manual* for the chosen form, though it is a celestial, a fey, or a fiend (your choice) instead of its normal creature type. Additionally, if it has an Intelligence score of 5 or lower, its Intelligence becomes 6, and it gains the ability to understand one language of your choice that you speak. You control the mount in combat. While the mount is within 1 mile of you, you can communicate with it telepathically. While mounted on it, you can make any spell you cast that targets only you also target the mount. The mount disappears temporarily when it drops to 0 hit points or when you dismiss it as an action. Casting this spell again re-summons the bonded mount, with all its hit points restored and any conditions removed. You can't have more than one mount bonded by this spell or *find steed* at the same time. As an action, you can release a mount from its bond, causing it to disappear permanently.

a golden reliquary worth at least 500 gp

You call forth a celestial spirit. It manifests in an angelic form in an unoccupied space that you can see within range. This corporeal form uses the Celestial Spirit stat block. When you cast the spell, choose Avenger or Defender. Your choice determines the creature's attack in its stat block. The creature disappears when it drops to 0 hit points or when the spell ends. The creature is an ally to you and your companions. In combat, the creature shares your initiative count, but it takes its turn immediately after yours. It obeys your verbal commands (no action required by you). If you don't issue any, it takes the Dodge action and uses its move to avoid danger. **At Higher Levels:** When you cast this spell using a spell slot of 6th level or higher, use the higher level whenever the spell's level appears in the stat block.

### TREE STRIDE

CASTING TIME 1 action	RANGE Self
COMPONENTS V, S	DURATION Concentration, up to 1 minute

You gain the ability to enter a tree and move from inside it to inside another tree of the same kind within 500 feet. Both trees must be living and at least the same size as you. You must use 5 feet of movement to enter a tree. You instantly know the location of all other trees of the same kind within 500 feet and, as part of the move used to enter the tree, can either pass into one of those trees or step out of the tree you're in. You appear in a spot of your choice within 5 feet of the destination tree, using another 5 feet of movement. If you have no movement left, you appear within 5 feet of the tree you entered. You can use this transportation ability once per round for the duration. You must end each turn outside a tree.

The target must make a Wisdom saving throw, which is modified by how well you know the target and the sort of physical connection you have to it. On a successful save, the target isn't affected, and you can't use this spell against it again for 24 hours. On a failed save, the spell creates an invisible sensor within 10 feet of the target. You can see and hear through the sensor as if you were there. The sensor moves with the target, remaining within 10 feet of it for the duration.
